

1. Portrait Photography

- Focuses on capturing the personality of a subject, usually in a studio or on-location.

2. Landscape Photography

- Highlights natural scenes like mountains, rivers, forests, and skies.

3. Wildlife Photography

- Captures animals in their natural habitats.

4. Street Photography

- Documents everyday life and culture in urban areas.

5. Architectural Photography

- Focuses on buildings, bridges, and structures.

6. Macro Photography

- Involves close-ups of small subjects like insects or flowers.

7. Fashion Photography

- Showcases clothing, accessories, and models in styled shoots.

8. Aerial Photography

- Captures images from above using drones or aircraft.

9. Event Photography

- Includes weddings, parties, and other special occasions.

10. Food Photography

- Highlights dishes, ingredients, and culinary setups.

11. Travel Photography

- Focuses on places, cultures, and experiences.

12. Sports Photography

- Captures fast action and events like games or races.

13. Black and White Photography

- Strips color, emphasizing contrasts, textures, and shapes.

14. Documentary Photography

- Tells stories through realistic, unaltered images.

15. Night Photography

- Captures scenes in low light, often using long exposures.

16. Abstract Photography

- Uses composition, light, and shadow to create non-representational images.

17. Fine Art Photography

- Focuses on artistic expression rather than technical accuracy.

18. Conceptual Photography

- Illustrates ideas, concepts, or stories.

19. Underwater Photography

- Captures marine life and underwater environments.

20. Astrophotography

- Focuses on celestial objects like stars, planets, and galaxies.

21. Candid Photography

- Captures subjects in natural, unposed moments.

22. Minimalist Photography

- Features simplicity, using limited elements and negative space.

23. Still Life Photography

- Depicts inanimate objects arranged in a visually pleasing way.

24. High-Speed Photography

- Captures fast-moving subjects like water droplets or bullets.

25. Product Photography

- Showcases products for marketing and advertising.

26. Surreal Photography

- Combines reality and imagination through manipulation or staging.

27. Boudoir Photography

- Intimate and romantic, focusing on the beauty of the human form.

28. Panoramic Photography

- Creates wide-angle views of landscapes or cityscapes.
